July
MONTH OF THE
PRECIOUS BLOOD OF JESUS

From your pastor . . .

This Sunday (today, July 7) Father Eric Berns, who grew up in this parish will be the celebrant for both morning Masses. Annually he comes back to his home area and farm on Keyesville Ridge for a Fourth of July gathering. He has asked that when he is here celebrating the Masses, he be allowed to display his motorcycle that he is donating to his parish of Saint Patrick's in Sparta for a fundraising event as a prize for a raffle. He will have someone near the cycle to sell tickets if you wish to buy a chance to win his cycle and support his parish and Catholic School. (No, I am not planning to follow his example with my motorcycle.)

Next weekend, a brief explanation will be given at the end of Mass by Madelyn Bauer who grew up in our parish, graduated from our Catholic School and now that she has finished her college education has decided to work on college campuses in a Catholic ministry called Focus. It promotes the Catholic Faith on university and college campuses throughout the United States. She will give a brief explanation of her work and how all of us can support her efforts. I thank you in advance for the attention you will give to her message.

Again, I will continue with the reproduction of the teaching from Father John A. Hardon, S.J. Catechism on the Real Presence, which is one of the ways for us to participate in the Eucharistic Revival that has been active throughout all the diocese in the United States.

101. During the persecution in the early Church, how did Christians show their devotion to the Eucharist?

They would receive Holy Communion even daily, from a priest or deacon or even by themselves in the absence of a priest or deacon. The reason for this was the need for sustaining grace in those centuries of martyrdom. We need this reminder of the early Christians to strengthen our faith in the power of the Holy Eucharist to give us the grace we need to remain faithful in our own age martyrdom (MF 72).

102. When was the feast of Corpus Christi first established?

The feast of Corpus Christi was first officially celebrated in 1246 in Liege, at the recommendation of St. Juliana of Mount Cornilion. Its observance was extended to the Universal Church by Pope Urban IV in 1264 (MF 74).

103. What has been the effect of establishing the feast of Corpus Christi?

From it have originated many practices of Eucharistic piety. The main benefit has been to recognize the Real Presence as a source of grace as the Presence Sacrament of the Eucharist, (MF 74).

104. Against what does Pope Paul VI especially warn the bishops?

He warns them to be perfectly loyal to the teaching of Christ on the Real Presence and to promote tirelessly the worship of Jesus Christ who is living among us in the Blessed Sacrament, (MF 75).

I hope you all will have an enjoyable and safe Fourth of July this coming Thursday. May it be a day that we ask God to watch over and bless our nation as well as asking for the intercession of our Blessed Mother Mary who under her title of the Immaculate Conception serves as the patroness the United States of America.

Until I write again, may God bless you and all the parishioners of Saint Mary's Parish.

Monsignor Roger J. Scheckel

“ If we paused for a moment to consider attentively what takes place in this Sacrament, I am sure that the thought of Christ’s love for us would transform the coldness of our hearts into a fire of love and gratitude”

“Jesus is not an idea, a sentiment, a memory! Jesus is a ‘person,’ always alive and present with us! Love Jesus present in the Eucharist. He is present in a sacrificial way in Holy Mass, which renews the Sacrifice of the Cross.

To go to Mass means going to Calvary to meet him, our Redeemer. He comes to us in Holy Communion and remains present in the tabernacles of our churches, for he is our friend.”
St. Pope John Paul II

Spiritual Adoption Program

-MONTH THREE-

Developing Baby Spiritual Adoption Program
Your baby is quite active in the womb now - - although her mother won't feel her for another couple of months. If her mother's womb had a window, you could watch your spiritually adopted baby squint, swallow and move her tongue. She can make a tight fist if you touch her palm. She is breathing amniotic fluid which continues until birth, although she obtains the oxygen her body needs through the umbilical cord. The baby you are praying for weighs one ounce

With sorrowful hearts,
we express our profound condolences
to the family of

Marcia Marie Mueller

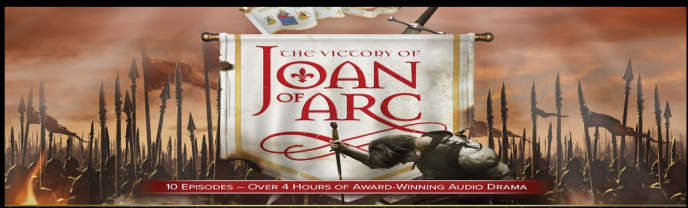

Who entered into eternal rest
June 20th, 2024

Eternal rest grant unto her O Lord, and
May perpetual light shine upon her
soul and all the souls of the faithful departed
through the mercy of God, rest in peace.
Amen
