

St. Mary School Long Range Plan

School Mission:

Our Catholic faith is the foundation of our tradition of providing a quality, virtue-based education in a Christ-centered environment focused on excellence in academics, worship and service.

School Vision

St. Mary of the Assumption Parish School has established priorities and objectives for our present and future success. We must maintain a program that by virtue of its very strength, breadth and values is a model among Catholic Schools. This will permit us to meet the challenge of providing students with a quality Catholic Education in the 21st century and thus prepare them to have a meaningful impact on tomorrow's society.

Strategic Goals:

- Establish and maintain curricular and co-curricular programs reflecting a model Catholic School.
- Attract and maintain outstanding faculty and staff who are committed to the mission, philosophy and vision of St. Mary of the Assumption Parish School.
- Provide faculty members with continuing educational opportunities.
- Maintain or increase student enrollment.
- Upgrade the physical environment through a planned program of facility renovations and additions.
- Secure the annual capital and endowment funds necessary to fulfill our vision.
